FROM THE PRESIDENT

.....

Where has the summer gone? August is here and school is right around the corner (aren't you glad that you don't have math problems and book reports anymore?)

We have some fun things planned to fill these last hot days of summer and early fall so check out the calendar so you won't miss out. Remember, if you sign up for a ticket and one is bought for you, you are responsible for paying for it or getting someone to take your place! Look for the Mesquite Rodeo, Roughrider Baseball, Garland Civic Theater, a sunset cruise on the Sea Wolf catamaran around Lake Ray Hubbard and one of my infamous scavenger hunts on the activity board.

Along with these, we will have two theme dances=our

NORTEX Prelude dance on August 14 will be "Dance Across Texas" and on September 11, "God Bless America", a red, white, and blue affair. We will have two banner retrievals as well.

August means a new set of lessons is about to begin with Yellow Rockers-this time on Tuesday August 19. We hope that more angels will come out and help these future dancers.

Last but not least, we are trying to put together an exhibition group. We get calls regularly about dancing in nursing homes, the Arboretum, etc. Let's try and get 6-8 couples that would be willing to dance several times a year using records, as it is very hard to get a caller. If you would be interested, please give me a call- I think it could be real fun.

See you soon!
Marilyn
